FOUNDATION SUBJECTS

ART

This term we are doing a project on Locality

Task 1

copy these words and definitions

Futurism	Futurism was an artistic and social movement that originated in Italy, in the early 20th century. It emphasized dynamism, speed, technology, and objects such as the car, the airplane, and the industrial city. It came after Cubism.
Ben Boothby	An American Contemporary artists who uses buildings as a starting point to create semi abstract work.
Contemporary	Off the time. A contemporary artists is an artist who is alive today and working. A contemporary architecture design would be one that has been created within this generation.

Task 2

Research Cubism and Futurism, and find out similarities and differences between them.

Task 3

Look at these images of Richard Diebenkorn and Ben Boothby

Notes: If you are UNSURE at any point, please contact Mrs Palomino with any questions and further guidance.

Task 4

Now create your own version of these images, using your sketches of the school from last lesson and the photographs of architecture you have from homework.

It should be about architecture, but it should be abstract and colourful

Add your name, surname and class code to your work

Keep it safe and bring everything to school on your return.
