

The Regis School CIAEG Map

Vision Statement - To provide an inspiring and innovative program of CIAG, which aims to raise the aspirations of all students. To empower them to make reasoned, informed and appropriate careers choices, which enable them to fulfil their individual potential. Careers Education, Information, Advice and Guidance meets standards suggested by the Gatsby benchmarks.

A stable careers programme	Learning from career and labour market information
Addressing the needs of each pupil	Linking curriculum learning to careers
Encounters with employers and employees	Experiences of workplaces
Encounters with further and higher education	Personal guidance
