

Expectations of The Regis School Students During Home Study Period

During the extended period of enforced school closure, we expect that our students continue to learn **as best they can**, using the resources provided by the school. This document aims to set out those typical expectations and highlight how to access work set by the school. We know that each family's context will be different and thank parents, carers and students during this continued challenging time.

We expect students to:

- Log into ClassCharts each school day morning at 8.45am to access instructions from staff on what work they should complete and engage in the physical warm up
- Follow staff directions and make every effort to complete the work set and, where instructed, save specific pieces of work onto the **new sharepoint folder** as directed by the person setting your work to receive assessment and feedback
- Check the school website and their school emails each day for any messages

Information students may need:

- School website address: <https://www.theregisschool.co.uk/>
- School email address. This is firstname.surname@theregisschool.co.uk
- School account password
- Insight website address and password: <https://insight.theregisschool.co.uk/secure.aspx?ReturnUrl=%2f>
- ClassCharts website address and password: <https://www.classcharts.com/student/login>
- Hegarty Maths website address and password: <https://hegartymaths.com/login/learner>
- Doodle website address and password: <https://www.doddlelearn.co.uk/app/login>
- Seneca Learning website address and password: <https://www.senecalearning.com/>
- Other websites as directed by teachers and subject leads
- Teacher emails (found on the website on the 'contact us' tab)

If students or parents have forgotten their passwords, they will need to use WhatsApp and the number 07922 114127 asking for a password reset. For security they will need to provide the student's full name (including middle names), their date of birth, and their tutor group. The password will be sent back via WhatsApp as soon as possible.

Communication with teachers, tutors, Heads of Year and Senior Staff should typically be made via email and will be responded to as quickly as we can.

If you need to speak to someone at the school your first contact will be the Head of Year between 8.30am -4.00pm Monday to Friday on the email (first) or phone numbers below:
