

Year 10 Home Learning Programme

Students are expected to follow their personal timetables but within the times set out below after logging onto ClassCharts at 8.45am each morning, where specific instructions will be given as to what work will be studied each day. They are expected to **try their best** to complete all the work set but we appreciate this may not always be possible.

Each day should start with a short physical warm up. The exercises will be communicated via ClassCharts and we encourage the whole family to engage in them!

Reading should be a mix of silent reading and reading aloud from a 'book' rather than a magazine or comic. Ideally this will be the student's school reading book.

In addition to the normal school timetable, students are expected to engage in self-quizzing as 'homework' using their Regis SPs. This takes the form of revision by learning facts in the SPs from memory.

Parents and Carers are asked to check that students have completed the work set and returned it to their teacher by saving it on Sharepoint or as instructed by their teacher.

If there are computer / internet access issues, students can collect packs of work to complete from the school but must contact the Head of Year to arrange to do this.

If sharing computer access the suggested timings of the day could be changed to ease such issues

Any issues relating to completion of work should be communicated to the child's teacher via email. All teachers' emails are on the school website on the Contact Us tab.

Any other issues or concerns should be communicated to Mrs McMann using her email (jennifer.mcmann@theregisschool.co.uk) or by phoning her on 07933 031907 during the hours of 8.30am – 4.00pm Monday to Friday.
