

Please use this Route Through to learn more about what students are learning in lessons, and how they can extend their learning at home. Please contact the Head of Department or Director of Year for more information.

Subject	What are students learning in lessons?	What could students do to extend their learning and develop their character?
Autumn Term 1	Geographical Skills: location, latitude/longitude, grid references. Introduction to Global Climate: climate change causes and consequences.	Give service: make and implement three small changes to reduce your carbon footprint and produce a one-week diary showing the changes you made and their
Autumn Term 2	Development: how development is measured, inequalities, different types of aid.	Be curious: research a country's development and create an information leaflet explaining the human and physical factors affecting it.
Spring Term 1	World of Water: water cycle, river features and landforms, and causes/impacts of flooding.	Be focused: research a famous river and create a fact file explaining why it is so important to the local people.
Spring Term 2	World of Water: water cycle, river features and landforms, and the causes and impacts of flooding. World of Work: types of industry, trade and tourism around the world.	Be curious: explore careers from different industry sectors and create a careers guide, including the skills and qualifications needed for the role.
Summer Term 1	World of Work: types of industry, trade and tourism around the world.	Be curious: research three geography-related careers and create a careers magazine page explaining the skills needed for each.
Summer Term 2	Fieldwork: planning, conducting and analysing an onsite fieldwork investigation. Revision and exam preparation for end of year exams.	Be curious: design a small-scale fieldwork investigation to a location outside of school and present it as a fieldwork plan.
How should I plan my time?	Assessment	Home Learning
	Students think hard and answer lots of questions every lesson. Students practice and get feedback on their work. Exam: Spring 1 and Summer 2	Character tasks to continue the joy of learning beyond the classroom.
