6. Click 'my tasks'

Hi there Ryan,

Here is how you have been working on HegartyMaths this year! Remember to always work hard and never give up.

- 7. Complete your homework tasks!
- 8. You can also **use the search bar to search for topics to work on independently.** This is especially useful in preparation for exams or when revisiting topics you have been learning in class. Just type straight into the search bar and you will be able to select a lesson

Hi there Ryan,

Here is how you have been working on HegartyMaths this year! Remember to always work hard and never give up.
