

Our mission is to develop young people with active and creative minds, a sense of understanding and compassion for others, and a courage to act on their beliefs.

By September 2020...

Our students will be:

- Rights respecting citizens contributing actively to local, national and global communities
- Achieving limitless potential regardless of barriers
- Embracing challenges and believing they can succeed
- Taking responsibility for their own learning
- Having a deep involvement in and contributing to decision making in the school
- Having positive, everlasting memories of their time at school

Our staff community will be:

- Demonstrating their belief and confidence that our students can reach limitless potential
- Demonstrating a passion for the love of learning in themselves and others which:
 - a) leads to a positive and observable impact
 - b) inspires a passion for lifelong learning
- Feeling empowered to teach in a way that fosters inquiring and creative minds leading to memorable learning
- Feeling recognised and valued by colleagues, parents and/or students for their contribution in achieving the best in everyone.

Our parents and local community will be:

- Demonstrating an active commitment to upholding the Regis School Family Pledge
- Having trust and confidence in the school to provide outstanding learning experiences and opportunities which enable their children to thrive and succeed.
- Seeing us as the first choice school.
- Seeing our students as highly employable

Our governors will be:

- Representing all aspects of the community
 - Informed, able and available
- They will support, challenge and hold the school accountable for:***
- a) The visionary and effective leadership of the school
 - b) The successful impact of leadership on school improvement
 - c) The robust safeguarding of students and the well-being of staff
 - d) The eradication of disadvantage
