

The Regis School The School Pledge (Home School Agreement)

All those involved in the school are expected to pledge their commitment to making the school the very best it can be. Parents/carers and students are asked to sign the respective pledge below.

PARENTS AND CARERS: I commit to supporting The Regis School to become an outstanding centre of learning, serving its community and transforming lives. I have the right to expect that my child is safe whilst at school and is engaged through high quality teaching. I have the responsibility to prepare my child for learning by sending him/her to school equipped for the day ready to contribute to lessons, prepared to listen to others, and eager to take advantage of opportunities both within and beyond the curriculum. I commit to upholding the family pledge.

STAFF: On behalf of all members of staff we commit the school to demonstrate a belief and confidence that our students can reach limitless potential. Showing a passion for the love of learning which leads to a positive impact and inspires a passion for life-long learning. We commit to continuous self-improvement, sharing and learning with open accountability and trust and supporting The Regis School to become an outstanding centre of learning, serving its community and transforming lives. We will consistently aspire to ensure that teaching and support are of the highest standard and respects the right of all students to make outstanding progress. We will create a safe learning environment in which care and guidance are in place for every student in order to fuel their ambitions and to promote confidence, fostering inquiring and creative minds leading to memorable learning. We will actively seek to disseminate expertise, helping other schools to improve.
