FOUNDATION SUBJECTS

Art

Lesson 1

Continue with the theme of the human figure project from this term.
Take 3 photos of yourself (full body) with your mobile, then make 3 drawing coping from your 3 different poses on an A4 paper (e.g.: dancing, sitting on the floor, laying on a sofa).
Consider the following:
- Draw the 3 poses as big as you can within the page.
- Try to draw the legs, arms, body, and head in the right size (proportions).
-Add directional shading with a pencil using at least 5 different tones between black and white.
-Don't worry about the details/features in the face, but focus on drawing the folds in the clothes.
- Add your name, surname and class code to your artistic sketch drawings.
- Keep the drawings safe and bring them to school on your return.

Notes: If you are UNSURE at any point, please contact Mrs Palomino with any questions and further guidance.

Extension task:

If you finish this task within 1:15hrs, choose your best pencil drawing and make another one with at least 3 analogous colours focusing on the shading, not the colour of the clothes. You can use any media: watercolour, coffee/tea watercolour, colour pencils, paint, acrylic, etc. If you feel confident you can try to do this in an abstract way (like Henry Moore).

Food

Lesson: Focaccia

 [Lesson 4 - focaccia.pptx](#)

Students who are in school will be making focaccia.

If you are able/have permission, you could follow the recipe on slides 2 and 3. We would love to see photos of what you create!

Use the rest of the presentation to learn how the different ingredients in bread work.

The last slide shows the ingredients you will need to bring when you next cook in school.
