Thank you for your interest in The Regis School Sixth Form.

The information gathered from this application form will be used to block our subjects for the timetable. We will do our best to ensure that all students can study their first three choices, however, this cannot be guaranteed. Whilst it is our intention to run all courses, should circumstances dictate (e.g. lack of demand for a particular course) we reserve the right to amend the courses offered.

Name: _____ **Tutor group** _____ (If currently on roll)

Email address (if not a current student at The Regis School) _____

Information to support in the initial choices that are made

- ✓ Please ensure you have read our Sixth Form prospectus to gain an understanding of the different courses we offer. This is available on our school website.
- ✓ Please ensure that you have checked the entry requirements.
- ✓ If you know of a certain career choice or University course that you wish to do, please ensure you have checked which A-Levels are required.
- ✓ When entering your initial choices on this form, please clearly rank them from your first choice to fourth (your fourth should be a reserve choice only).

Please state your current intentions:

The Regis School Sixth Form is my First choice

The Regis School Sixth Form is my Second choice

I am currently undecided and require further support

Please also complete the other side of this form and return it to the Sixth Form office or main reception BY FRIDAY 21st JANUARY 2022
