Dear Parent/Carer

It is with great pleasure that we welcome you and your child to The Regis School as they embark on their journey into Year 7 this September 2025. Starting secondary school is an exciting and transformative time, and we are committed to ensuring that this transition is as smooth and supportive as possible for both students and parents alike. Therefore, to support all students to have a positive transition, we would like to provide them with an additional opportunity to familiarise themselves with life at The Regis School prior to the official Transition Day.

As such, we are inviting your child to attend a **'Regis Ready' Day**. The date of your child's 'Regis Ready' Day will depend on their current primary school, please see below for details:

Students will be invited to enter through the student entrance (green gates) where they will be met by the Director of Year 7 and members of the Senior Leadership Team. The day is scheduled to **end at 14:45** and children will be **dismissed directly from the main hall**. Please ensure your child has a clear understanding of your arrangements for them returning home safely. Students should wear their **current school uniform and are required to bring a packed lunch (including a water bottle) and a pair of trainers**.

You will shortly receive an email containing your login details for Applica, our data collection website, where you will be able to provide your child's key information to complete the admissions process.

In the meantime, we encourage open communication, so please do not hesitate to contact us with any questions or concerns.
